LATROBE FEDERAL BAND INC

140th ANNIVERSARY

Respected brass musician and composer Graham Lloyd has been commissioned to write a band work to commemorate this occasion.

As part of the Saturday evening concert we would like to encourage enough past playing members to join together and form a Reunion Band and perform this work.

If you are interested in participating in the Reunion Band please indicate this on the Return Slip or via email (see below).

Please also indicate your instrument preference and if you require us to supply an instrument for the concert day. Music and further details will be sent to you.

It has been a challenging task creating a contact list of past members. We would appreciate it if you could pass on our contact details to members you think we may have not contacted, spread the word !
